

Questions and Answers
NNG10359653L

In the event of a conflict between the answers and the Instructions, the Instructions will prevail.

1. Question: In the page restrictions section of the solicitation (page 2) items 3 and 4 (Specialized Experience and Past Performance), is this to be 20 projects in section F of the SF 330? Or does this allow 10 pages for each in section H of the SF 330?

Answer: There is no required number of projects identified. The page limitation is for each criteria; 10 page limitation for Specialized Experience and 10 page limitation for Past Performance.

2. Question: In your definition of a page on page 3 of the solicitation instructions you indicate that one inch margins are required. Are we to modify the SF330 document to accommodate this since by default the margins for that form are not one inch?

Answer: The Form SF 330 may be used with pre-established margins.

3. Question: How many copies of the completed SF 330 do you wish to be submitted?

Answer: Four copies of the completed SF 330 shall be submitted.

4. Question: To clarify, you want responses to questions 1, 2, 3, 4, and 6 (located on page 2 of the solicitation) to be addressed in section H in the allotted 28 pages.

Answer: No, section H is to only include supplemental information not addressed elsewhere in the SF 330.

5. Question: Is this a new solicitation or are there incumbent(s) to this?

Answer: This is a new solicitation

6. Question: Given that this was released as a Total Small Business set-aside code, can you please confirm whether a large business is able to join the team of a small business led firm?

Answer: Yes, but the SB firm must perform at least 50% of the work in accordance with 13 CFR 125.6.

7. Question: Are we required to use the PDF version of the SF330?

Answer: Yes, the PDF version of the SF330 is required.
